Push-Button Locking Mount V2

The PLM V2 offers users advanced features in belt attachment. This hinged mount can fit on belts up to 2.25" wide with a screw-in adjustment bar, making it the perfect addition most duty belts on the market. The PLM offers an exceptional balance of easy attachment and secure hold through a one-of-a-kind locking mechanism. By sliding the push button horizontally, the attachment will lock securely to prevent accidental detachment.

The PLM features a universal nine-hole pattern and can be attached to any number of products and allow for cant adjustability up to 270°. The PLM is made of high-quality, durable polymer nylon, which will withstand the most rigorous tests.
